St. John's Lutheran School
La Grange, IL

Dear St. John's Family,

With Governor Pritzker's announcement to close all Illinois schools for the rest of the 2019-2020 school year, I am sure that many questions are running through your minds. In preparation for this possibility, I can communicate the following information to you right now:

~The faculty and I are mourning the loss of the rest of our school year. This has not been an easy 5 weeks for any of us, but you know the commitment of our faculty and their dedication to the Christian education of your children. Please allow us all some time this weekend to process this information.

~We will continue e-Learning through the end of the school year. I believe everyone has become accustomed to this new platform, and you can expect it to continue in the same manner. School *is* in session, although it is outside of our physical school building.

~To families of 8th grade students: As this stay at home order and school closure has progressed, it has remained my commitment to hold a graduation ceremony for the Class of 2020. While I don't know exactly what that will look like, nor when it can happen, it *will* happen. Look for separate communication from me about this.

Stay tuned to Constant Contact emails for more information.
I continue to pray for your safety and wellbeing during this time. God bless you all!

In His Service,
Teri Lyn Mannes
Principal
